

## Fiera Capital Introduces New Global Equity Focused Mutual Fund

PROVIDING INDIVIDUAL INVESTORS WITH ACCESS TO FIERA CAPITAL'S  
HIGHLY REGARDED GLOBAL EQUITY PORTFOLIO MANAGEMENT TEAM

**Montreal, May 3, 2017** – Fiera Capital Inc. (“Fiera Capital” or “the Firm”), an affiliate of Fiera Capital Corporation (TSX: FSZ), launches its new Fiera Capital Global Equity Focused Fund (the “Fund”). The Fund is invested in a concentrated portfolio of the Global Equity Team’s highest conviction ideas from across global, developed, and select emerging markets and seeks to achieve capital appreciation. The Fund, which is available through an Investor Class and an Institutional Class, will typically hold 15 to 30 stock positions.

“We are proud to offer this institutional-grade strategy from our highly regarded Global Equity team to individual investors and investment advisors in a public fund vehicle,” said Benjamin Thompson, President and Chief Executive Officer of Fiera Capital’s US division, Fiera Capital Inc. “We believe it is an attractive solution for investors searching for exposure in developed markets and flexibility to invest in emerging markets and it also allows individual investors to have access to a top-tier manager.”

The Fund is managed by Nadim Rizk, Senior Vice President and Lead Portfolio Manager, and Andrew Chan, Vice President and Portfolio Manager, Global Equity. The team currently manages over US\$15 billion in assets, and is responsible for the Fiera Capital Global Equity, International Equity and US Equity quality growth strategies. The Fund’s Portfolio Managers manage another investment strategy that is substantially similar to that of the Fund. The Fiera Capital Global Equity Focused strategy (the “Strategy”) was originally launched in August 2014 to institutional clients.

### Fund Disclosures

Because the Fund may invest in a limited number of companies, the Fund as a whole is subject to greater risk of loss if any of those securities decline in price. The Fund is subject to risks from holding depository receipts and foreign securities, which may be related to the particular political, regulatory, economic, social and other conditions or events occurring in the country and fluctuations in its currency, as well as market risk tied to the underlying foreign company. In addition, ADR holders may have limited voting rights, may not have the same rights afforded typical company stockholders in the event of a corporate action. The Fund is also subject to the risks of using derivatives and forward contracts.

*Consider the objectives, risks, and charges carefully before investing; the [prospectus](#) contain this and other information about the investment company; the prospectus should be read carefully before investing.*" Distributed by Foreside Fund Services, LLC.

### **About Fiera Capital Corporation**

### **Forward-Looking Statements**

This document may contain certain forward-looking statements. These statements relate to future events or future performance, and reflect management's expectations or beliefs regarding future events, including business and economic conditions and Fiera Capital's growth, results of operations, performance and business prospects and opportunities. Such forward-looking statements reflect management's current beliefs and are based on information currently available to management. In some cases, forward-looking statements can be identified by terminology such as "may", "will", "should", "expect", "plan", "anticipate", "believe", "estimate", "predict", "potential", "continue", "target", "intend" or the negative of these terms, or other comparable terminology.

By their very nature, forward-looking statements involve inherent risks and uncertainties, both general and specific, and a number of factors could cause actual events or results to differ materially from the results discussed in the forward-looking statements. In evaluating these statements, readers should specifically consider various factors that may cause actual results to differ materially from any forward-looking statement.

These factors include, but are not limited to, market and general economic conditions, the nature of the financial services industry, and the risks and uncertainties detailed from time to time in Fiera Capital's interim and annual consolidated financial statements, and its Annual Report and Annual Information Form filed on [www.sedar.com](http://www.sedar.com). These forward-looking statements are made as of the date of this document, and Fiera Capital assumes no obligation to update or revise them to reflect new events or circumstances, except as required by applicable law.
